

🔍 Module One: 'The time has come'

In this module we survey all 27 books of the New Testament. Starting with the 4 Gospels and Acts, as we look at the life of Jesus and the early years of the church, and then moving on to the 22 letters that make up the rest of the New Testament. We will see how Jesus is the fulfilment of God's plans for the world.

🔍 Module Two: 'In the beginning God...'

Here we go back to the beginning of the Bible and see that everything starts with God (Genesis 1:1). We trace the story of God's dealings with Israel through the 17 historical books of the Old Testament. We discover how God was announcing his plan to send Jesus from the very beginning.

🔍 Module Three: 'He will reign on David's throne'

We finish our survey of the Old Testament with a look at the 17 books of prophecy. The prophets both speak God's Word into their contemporary situations and speak about what's to come. In these books we hear the drumroll for the King who would 'reign [forever] on David's throne' (Isaiah 9:7).
